## Memorial Barn Fundraiser

In our last drive to gather the funds needed to replace the main barn, Harmony Riders is offering the opportunity to members, public, businesses, etc., to "purchase" stall fronts in the new barn. For each stall front purchased, we will place a memorial plaque on the stall detailing "Donated By" and/or "In Memory Of" as requested by the donor. We have 40 stalls available at a donation of \$200 each. We will also offer a smaller donation level of \$100. This donation will receive a memorial plaque (same as above) to be placed in the barn. The location will be determined upon completion of the barn (Fall 2012), most likely on a front wall or other large wall space. To "purchase" a stall or donate, please follow the instructions on the Donation Form.

Thank You!
