

Community Service: In addition to our Flag routine, Performances & Parades, we have participated in rides for charity and community rides in support of accident and cancer victims. Our team enjoys helping others through sponsoring a scholarship, a fun show, and raising money for a good cause. We have donated thousands to locals in need as well as to some more well-known recipients, like Miss Rodeo NY and the Oswego County 4H Horse Clubs.

Team Contact Info: To learn more or book us for an event, please email our events coordinator at

Total Chaos Drill Team was founded in 2011 and is the home team at Harmony Acres, Parish NY.

Find our club at Harmony Riders

on Facebook or <https://harmonyriders.org>)

Total Chaos team contact information is on the back of this brochure.

We are a group of women who love horses, time in the saddle, building new friendships, and working together. We accept new members all year long and have different levels of participation from the ground up. To join as a riding or non-riding member, please contact us. We can't wait to welcome you to the team.

Flags: Our colorful flag routine is set to a version of the National Anthem and is intended to open shows and events while paying respect to our flag and country.

Parades: Total Chaos enjoys participating in various parades throughout the year. We have ridden in the Syracuse St. Patrick's Day Parade, Camden Irish Parade, Memorial Day, Independence Day, Veteran's Day, Halloween and Christmas parades as well as local Firemen's parades, County Fair parades and even Homecoming. We feel that parades allow us to be ambassadors for our

Performance Plus: Total Chaos works hard to create, plan, practice and execute a choreographed routine to music, which we perform at various venues. We ride for our fans at our home arena in Parish, NY, but can also be found entertaining crowds at other local shows, county fairs, and the Great NY State Fair. Our horses and riders are always up for a meet-n-greet and also enjoy photo ops! Do you have an event you would like us to perform at? Contact us! New opportunities are always welcome.
